### Dog Training Classes

Dog training has changed a great deal in the last few years. It's not considered necessary, or acceptable, to use harsh methods in training and the use of gentle, motivational methods have been shown to be as successful as they are enjoyable to use.

This is a list of the local dog training classes we are aware of. Please note that we are unable to recommend any of these in particular. Our advice is to visit and observe a class. Make sure that the class meets your requirements and uses training methods that are kind, fair and effective for both you and your dog, as used in the Puppy Classes run here. If you know of any other classes we could include, please let us know.

### Puppy Classes

Puppy Classes (pups aged 8-14 weeks) are held weekly at Mill House in our special Puppy Room. Book a course of 5 sessions at the surgery – ask for Sam, Liz, Vikki, Emma or Hayley
